### **Ambassadors**

In keeping with transparency, we are sharing items from our recent meeting with our Ambassadors (it appears as if not all Ambassadors are sharing the information through the appropriate channels for distribution to community members).

### **General Manager Update:**

- Construction of the new Players' Lounge & Locker Rooms - The completion date is set for the first week of March.
- Sabal #6 Tee Box - Follow up on the complaint about the removal of trees next to the wall that is allowing individuals to enter the community from I-75 to fish. Removal of the trees near the wall didn't cause individuals coming from I-75 to invade the Strand community to fish. Will be reviewing with the Grounds Manager to see if any further actions are required.
- Overbooking of the Bocce Courts - There are currently 56 Bocce teams and presently, the Club cannot dictate time slots, therefore members must be mindful and honor their specified court times. Some consideration must also be applied if a league match is happening as that game must be finished and may run past the reserved time. Ultimately, the Club MAY have to limit the number of teams or create two leagues to ease the scheduling of matches.
- Bocce Court Lights - It was suggested to review the lighting at the Bocce Courts as it is not very bright between 5:30 PM and 8 PM. Bleachers were

also suggested to offer more seating. The two post lights between the courts have been repaired.

### **Events Update:**

- The next Strand Singles Event is scheduled for Monday, February 13 from 5-7 PM in the Grille Room. The price is \$15 per person and includes one drink and light bites.
- Valentine's Day Dinner is scheduled for Tuesday, February 14th. Reservations are now open.
- The next New Member Mixer is scheduled for Thursday, February 23rd. Ambassadors of neighborhoods with new members are invited to attend.
