

## **A Friendly Reminder**

### **Roof Changes and Alterations to Your Home**

Dear Strand Owners,

The Strand SFHOA Board realizes that recent events have created the need for unplanned alterations to your homes. Please keep in mind that any changes to your home require the filing of an ARB Form which can be found on the website or you can contact Towne Properties.

Contact Maria Ulloa at [mariaulloa@towneproperties.com](mailto:mariaulloa@towneproperties.com) to arrange for an ARB form for any changes to the exterior of your homes.

Your consideration and understanding is appreciated.

For the Strand Board of Directors

Mike Towns, Property Manager
