

The Strand Single Family
HOMEOWNERS ASSOCIATION

The Strand HOA

The revised mulch schedule, as a result of the hurricane is 11/28 - 12/2/22. The cul-de-sac fall flowers will start to be planted on or about 12/5/22.

Below is a list of issues that all homeowners should be advised of:

1. Because of inflation and delays, color changes will not be accepted.
2. Remove all items such as hoses and potted plants in the mulch area.
3. If an area has excessive mulch from previous years, you can contact Cliff at 239-986-1740 before 11/18 for a quote to rake out the area before mulching.
4. If there is an area that you do not wish to rake but not add additional mulch, please contact Cliff by 11/18.

Thank you.
