

**The Strand Single Family**  
HOMEOWNERS ASSOCIATION

Leo, Jr will start laying mulch on Friday, November 17th and be completed by Wednesday, November 22nd. Before this work is started, each homeowner should consider the following:

1. Colors available will be the same as last year, coco brown or cypress.
2. Red mulch and pine straw are available only to those who had it last year. They are grandfathered in until a change is made.
3. Deadline for making any changes is November 1st\*.
4. Remove items such as hoses and potted plants that are sitting in mulch areas.
5. If an area has excessive mulch from previous years and you would like it removed, you can call Cliff at Leo, Jr, 239-986-1740\*\*.

Thank you.

George

\*To find last year's color for your address, it can be found on the website under ***All Landscaping Issues***.

\*\* Cliff can also work with you on any color change.

Ps. The start date of November 17th is based upon Leo, Jr's schedule and this time cannot be changed. Also, weather conditions can cause a possible delay.
