

The Strand Single Family
HOMEOWNERS ASSOCIATION

The Strand Homeowners Association has contracted to repave all their roadways. These include the 6 (six) roadways that exist in the Single-Family HOA residential area, namely: Whisperwood Court; Rolling Oaks Court; Rolling Pines Drive; Marble Court; Amberwood Drive; and Barclay Lane.

The work will start on May 22, 2023, and may continue for 3 to 4 weeks. During this time, there may be traffic distribution along Strand Blvd. for short periods of time while the paving trucks move in and out of each roadway and when the work is being done at the intersections of the roadways and Strand Blvd. Additionally, during repaving operations, there will be restricted access to the roadways.

Best Regards

Michaela Neumann, CAM
Property Manager
